MANY OF US EXPECT

That the war will last longer than nost of us expect and that the Unted States will have 5 million m under arms before it ends was the rediction of former President Wilam Howard Taft in his address Friay evening at Hardin College. The tered the war with an exposition of international law and citations from ncerned us and other neutral naons left no doubt in the minds of his audience that there was but one course for this nation to pursue and that was a declaration of war.

Following a short program by the ollege orchestrs, a most excellent organization, Judge Taft and President Million, of Hardin, entered the stage to the strains of "The Star Spangled Banner," with the entire audience on its feet applauding. This proved a fitting introduction to a patriotic address, whose equal has never been de-
